and hot dogs and hot
chocolate after the parade by
Claymont Health and Rehab.

Did you know?

The Village of Dennison requires any business or organization that wants to solicit door-to-door to complete an application process. ALL applicants must pass a background check performed by the police department and pay a small fee before being issued a permit to solicit. Next time a sales rep/individual stops at your home, ask to see their soliciting permit. It should be dated and signed by a police officer. If they do not have one, call the police department.

The contract with Kimble's allows residents to dispose of one large item or three extra bags of trash on the first week of each month at no extra charge. Reminder: Items and trash are not to be placed on the curbstrip until Wednesday evening or Thursday morning.
